

Product Change Notification

M-060, M-061 and M-062 manual, stepper and vacuum products

Change Description

The manual, stepper and vacuum products of the M-060, M-061 and M-062 series are discontinued.

Impact and Reasons

The affected products have reached their end-of-life and are thus being phased-out.

Recommended Action

Customers looking for a replacement should consider the remaining products within these series using DC-geared (M-06x.DG) or DC-ActiveDrive motors (M-06x.PD).
