

Display Module for Piezo Controllers

Voltage and Position Evaluation, E-500 Piezo Controller System

E-515

- 3½-digit display for voltage and position
- 1- and 3-channel versions
- Module for E-500 piezo controller rack

Specifications

Model	E-515.01	E-515.03
Function	Display module for piezo voltage and position	Display module for piezo voltage and position
Channels	1	3
Display linearity	0.1 %	0.1 %
Display	1 × 3½ digits	3 × 3½ digits
Dimensions	21 HP / 3 RU	21 HP / 3 RU
Mass	0.3 kg	0.3 kg
Operating voltage	E-500 system	E-500 system

Ask about customized versions.

Ordering Information

E-515.01

Display module for piezo voltage and displacement, 1 channel

E-515.03

Display module for piezo voltage and displacement, 3 channels
